***With Arm Your Affiliates, it's quick and easy to create a promotional tools page for your affiliates. The more options you give your affiliates to work with, the easier it is for them to promote your products!***

## Step 1: Create A New Page

Use the Back and Next Buttons at any time to move on or check your input

Enter the title of your affiliate page

Enter your affiliate url, using 'xxxx' where the affiliate ID is located. The 'xxxx' is where your affiliates' unique ID will be placed.

### **Examples:**

<http://xxxx.product.hop.clickbank.net>

<https://paydotcom.com/r/55809/xxxx/18468594/>

*As you can see, the 'xxxx' represents your affiliate's ID for Clickbank and Paydotcom respectively.*

Enter your paypal email. This is optional, but if you choose to add your paypal email, you can earn a commission whenever someone clicks on the 'Created by Affiliate Buzz' link on the promo page you generate.

**Welcome! In a few steps you'll create an impressive affiliate page.**

**Step 1: Create a new page**

Enter title of your new page:

  
  

Enter your product's affiliate URL, using "xxxx" where the Affiliate ID part is located:

  
  

Enter your Affiliate ID (Paypal Email):

  
  

Optional

Examples:  
<http://xxxx.auctips.hop.clickbank.net>  
<http://www.paydotcom.com/r/44650/xxxx>

## Step 2: Select a template to customize

Currently, there's only one template. But for the future, we're working on adding new templates, or maybe giving you the option to add your own templates.

Step 2: Select a template to customize

Template: Longwhite

## Step 7: Create Your Email Ad Promo

This is a solo ad email promotion, for your affiliates to mail out to their lists.

### Example:

Hi {firstname},

Did you ever wonder how super affiliates create massive traffic and huge interest in the products they promote?

Do you slave away at your computer, day after day, only to be mailed a pay check, that barely buys you a good night out at the end of the month?

Ok, so you may realise you've been doing something wrong.

You're wondering what 'secrets' the 'gurus' and super affiliates are keeping from you, right?

In a hurry?

<https://paydotcom.com/r/55809/xxxx/18468594/>

Thing is, there are no real secrets. Everything you need is 'out there'.

BUT... The question is - do you know how to apply the knowledge you glean each day? Or are you trying to do 'a bit of this' and 'a bit of that' and getting nowhere?

Michael Cheney is a 'traffic god'. He has the knowledge and KNOWs how to harness its power, to drive literally millions of visitors to his sites each and every year.

Now, Michael's not a selfish guy. Only a couple of years ago, he was living in a two-bit, shabby apartment and he knows how it feels to be desperate for cash. But he's just moved to an \$850,000 condo – all thanks to his online efforts...

Michael's throwing the doors open, to anyone who'll listen, and offering thousands of dollars worth of tactics and tricks for mere pennies on the dollar.

Michael will take you by the hand and teach you, through easy to follow multimedia resources, how YOU too can be an affiliate millionaire!

All the videos come with Mp3 recordings, so you can listen on your ipod, and fully transcribed PDF documents.

<https://paydotcom.com/r/55809/xxxx/18468594/>

Let me know what you think of the course.

Best Regards,  
Your name here.

P.s. Michael's told me he won't hold this low price forever. Please don't be mad at me if you're too late and the price has gone up.

<https://paydotcom.com/r/55809/xxxx/18468594/>

P.p.s. Don't forget to join the affiliate program too. You'll be paid 50% of every sale you make!

**Step 7: Create your Email Ad.**

Write your email:

### Step 8: Create Your Autoresponder Ad Promo

This is a promotional email series for your affiliates to add into their autoresponder.

For example, You could put together a short course, covering a different aspect of the subject matter with each email, with your affiliate's ID embedded in each mailing...

#### Example:

Day One: An overview of Affiliate Marketing

Day Three: A little known Technique for Generating Traffic

Day Five: Three things every Affiliate Marketer absolutely MUST do

Day Seven: Five things every Affiliate Marketer should Never do

Day Nine: {firstname} Are you serious about Affiliate Marketing?

## Step 9: Create Your Article

Type in your article for your affiliates to use. You can create as many articles as you like.

Include a resource box and include your affiliate's url.

### Example:

Michael Cheney is an affiliate mastermind and traffic generation expert. His multimedia affiliate marketing course teaches you step-by-step, how to create unstoppable floods of traffic to your affiliate products. For more information, go here: <https://paydotcom.com/r/55809/xxxx/18468594/>

*Click 'Create Ad' Clicking on Article in the 'Articles' box, will reveal the content of your article in the box below.*

## Step 10: Create Your Popup Ad Promo

Create your popup ad and enter your code details.

**Step 10: Create your PopUp Code.**

Enter your PopUp Code:

<<Enter POPUP Code Here>>

PopUp Codes:

PopUp Code Details:

## Step 11: Generate Code

You have two options:

1) Save as a web page - Type in your desired filename and save the file by clicking on 'generate code'. The popup confirmation tells you the location of your file.

Now you can simply upload the file to your server, or you can edit it in your HTML editor if you like.

2) Copy the code to your clipboard and paste directly into your HTML editor.

That's all there is to it!

Give your affiliate tools page the look and feel of the rest of your website by adding your header and footer.

Now get the word out to your affiliates ☺

Here's to your Success!
